Attention Tatamy Borough Municipal Authority Customers

The sewer bill will be mailed in a regular #10 envelope with the bill enclosed. The front of the bill will show the current charges for the billing quarters and the back side of the bill contains essential information you need to read. You may also receive your bill via email by completing the information on the return portion of your previous invoice.

For all the customers of the Tatamy Borough Sewer Authority who pay their sewer bill on time, we thank you. For any customers who do not pay their sewer bill on time and have missed more than two (2) payments, please carefully read the following: The Tatamy Borough Sewer Authority has signed contracts with the Pennsylvania American Water Company to assist us in the collection of delinquent accounts by shutting off the water service to these accounts. What does this mean? If you fail to make payment the Tatamy Borough Sewer Authority will proceed with water terminations. Once your water is turned off you will be responsible for the \$30 disconnect fee, \$30.00 reconnection fee once your account is settled and any applicable finance charges.

To avoid water terminations, the Tatamy Borough Sewer Authority will offer payment plans on a case by case basis. Please contact Marie Scott at customer service at 610-390-3362. Payment plans will not be available once water shut off proceedings commence. Once water service is shut off, all delinquent monies must be paid in full to the Tatamy Borough Sewer Authority before the water service is turned back on.
